The background features a large, faint red shield. Inside the shield are three life preservers arranged in a triangular pattern. At the bottom of the shield is a banner with the Latin motto "PER LABORE AD ASTRUM". The entire graphic is set against a solid red background.

SCHOOL SONG

Waar berg verrys met kruin omhoog na die
lug daarbo so blou,

staan ons skool waaraan ons trou beloof,
stewig sal ons bou.

Waar kennis en ons vriendskap deur die
jare word versterk,

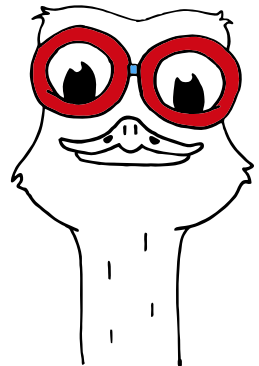

Aan Hoërskool Oudtshoorn bly ons trou,
naas God en Vaderland.

Where lofty mountains raise their peaks to
a sky of azure blue,

stands a school of which we're proud to be
scholars staunch and true.

Where minds are shaped and friendships
built and characters are formed

To God and country, to our school, our
trust and loyalty.

STUISIES CALL

Count the day
and count the hour
Count the power and
the glory
We have come to answer
the only call
that beats in the proud
heart of stuisies

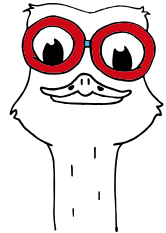

Stuisies, stuisies
together standing tall
Shoulder to shoulder
to answer stuisies call
